#### **Proxies**

13. Every Owner or mortgagee entitled to vote at meetings of Owners may by executed written instrument appoint a proxy, who need not be an Owner or mortgagee, to attend and act at the meeting in the same manner, to the same extent and, subject to the Act, with the same power as if the Owner or mortgagee was present at the meeting. 18. The E-ballot shall not be cast in advance of the meeting unless the Owner is later able to rescind the E-ballot at any time prior to the meeting being called to order. An E-ballot cast in advance of the meeting does not preclude the Owner from otherwise attending and participating at the meeting in person, by proxy or through Virtual Attendance.
19. It is the duty of each Owner to ensure that only the Owner of a unit may cast an E-ballot. No other person, unless authorized by proxy, shall cast E-ballots on behalf of an Owner.

The notice shall include a written statement setting out the reasons for the extraordinary assessment and copies of the budget on which such extraordinary assessment is based, to all Owners and mortgagees entered on the record. Extraordinary assessments shall be payable by each Owner within ten (10) days after the delivery of notice thereof to such Owner, unless a further period of time has been determined by resolution of the Board and set out in such notice.

party to carry out certain remedial measures (e.g. the towing of an improperly parked motor vehicle), any such action shall be deemed to have been taken on behalf and at the direction of the particular Owner, and the costs incurred by the Corporation shall be recoverable from the Owner in the same manner as common expenses. For greater certainty, the Owner shall be deemed to direct the Corporation to apply any moneys paid by the Owner to the Corporation on account of common expenses, including any payments by pre-authorized withdrawal, to pay for such third party costs prior to applying such moneys against common expenses, as otherwise required pursuant to Article IX(4) herein.

4. The Corporation includes noise attenuation features normal or customary as at the date of construction for condominium buildings of comparable quality. ## Schedule "A"

**BY-LAW NO. 7**  
**PEEL STANDARD CONDOMINIUM CORPORATION NO. 774**  
 (the "Corporation")

**A By-law Establishing A Standard Unit.**

**WHEREAS** section 99 of the *Condominium Act, S.O. 1998, c.19*, together with any regulations made thereunder and any amended or successor legislation (the "Act"), required the Corporations are obligated to obtain and maintain insurance on its own behalf and on behalf of its Owners for damage to the units and common elements that is caused by major perils or other perils that the Declaration and By-laws specify, save and except for damage to improvements made to a unit;

**AND WHEREAS** Section 99 of the Act provides that improvements and betterments made or acquired by unit owners are not covered under the Corporation's insurance policies;

**AND WHEREAS** the Act provides that an improvement to a unit shall be determined by reference to a standard unit for the class of unit to which the unit belongs;

**AND WHEREAS** anything that is not included as part of the standard unit shall constitute an improvement and shall be the responsibility of the unit owner to insure;

**AND WHEREAS** it is in the best interest of the Corporation to minimize uncertainty over the extent of its insurance coverage by defining what constitutes a standard unit for the purpose of determining the responsibility for repairing improvements after damage.

**NOW THEREFORE BE IT ENACTED** as a by-law of the Corporation by resolution of the Board of Directors, as follows:

1. The terms used herein, which are defined in the Act, shall have ascribed to them the same meanings set out in the Act.
2. The standard unit definition contained in this by-law in no way purports to amend or affect the definition of a "Unit" as contained in Section 3.6 and Schedule "C" of the Corporation's Declaration, or any responsibilities for the maintenance and repair of same as described therein.
3. A standard unit, insofar as same applies to the Residential Class of unit shall, beyond the unit boundary definition contained in the Corporation's Declaration, include those fixtures and finishes outlined in Appendix "A" attached hereto, which shall, for greater certainty, be of economy grade unless otherwise specified.
4. Except as more specifically included in Appendix "A", a standard unit for any class of unit shall not include the following:
  - (a) any floor coverings over the concrete or sub-flooring;
  - (b) any countertops in the kitchen and bathrooms other than an economy grade plastic laminate;
  - (c) any wall coverings or coatings, or ceiling coverings or coatings beyond the primed and painted, with flat white latex paint, surface of the drywall;
  - (d) all electric appliances and electric fixtures within the unit, regardless of the degree of affixation to the unit, other than (i) economy grade light fixtures; (ii) exhaust fans located behind drywall in the kitchen, bathrooms or laundry room; and (iii) the heating/air conditioning equipment within the unit;
  - (e) any improvements or betterments installed by the Declarant or any Owner prior to or subsequent to the registration of the Corporation's Declaration and Description; and
  - (f) any alterations carried out to the original floor plan for the unit as shown in the Description and in the Architectural Plans pertaining to the property registered in the Land Registry Office.
5. For Parking class of units, the standard unit shall be determined by reference to the unit boundaries as established of Schedule "C" of the Corporation's Declaration.
6. The Corporation may, in its sole and unfettered discretion, substitute fixtures and finishes comparable to or better than those described in Appendix "A" without the consent of the Owner. The Corporation shall not be responsible for any defects in workmanship or materials carried out as a result of any insurable damage to a unit.
7. Every provision of this by-law is independent and severable. The invalidity or unenforceability in whole or in part of a provision of this by-law shall not affect or impair the validity or enforceability of this by-law or any other provision of this by-law in any manner.

- 8. Whenever required by context, the use of the singular in this by-law shall be construed to include the plural and the use of the plural shall be construed to include the singular. The use of any gender shall include all genders.
- 9. Any references to a section or sections of the Act in this by-law (or in any by-laws or rules hereafter enacted by the Corporation) shall be read and construed as a reference to the identical or similarly appropriate section or sections (as the case may be) or any amendment of or successor legislation to the Act.

IN WITNESS WHEREOF, the Corporation has affixed its corporate seal attested by the hand of its duly authorized officers this 3<sup>rd</sup> day of November, 2021.

**BY-LAW NO. 8**  
**PEEL STANDARD CONDOMINIUM CORPORATION NO. 774**  
 (hereinafter referred to as the "Corporation")

**A By-Law to Establish the Procedure with respect to  
 the Mediation and Arbitration of Disputes or Disagreements**

**WHEREAS** the *Condominium Act, S.O. 1998, c.19*, together with any regulations made thereunder and any amended or successor legislation (the "Act") requires that, where the mediation and arbitration processes described in sections 125 and 132 of the Act are available, such processes must be used to resolve disputes or disagreements as prescribed by the Act (hereinafter referred to as "Disputes");

**AND WHEREAS** it is within the power of the Corporation, and it is encouraged by the Act, to confirm and register a by-law to establish the procedure for mediation and arbitration of Disputes between the Parties for the purpose of section 125 or 132 of the Act;

**AND WHEREAS** the Corporation intends that the procedure in this by-law be employed in all mediation and arbitration proceedings contemplated in sections 125 and 132 of the Act.

**NOW THEREFORE BE IT ENACTED** as a by-law of the Corporation by resolution of the Board of Directors, as follows:

**ARTICLE I - General**

1. In the event of any Dispute arising in connection with sections 125 and 132 of the Act, the Dispute shall be addressed and resolved in accordance with the provisions of this By-Law, unless the Parties to the Dispute, by written agreement, change or make additions to the process outlined in this By-law.
2. Unless otherwise agreed in writing by the Parties, or unless otherwise provided for herein, the Parties, their counsel or representatives shall keep confidential all matters and documents disclosed, orally or in writing during the process outlined herein except where disclosure is necessary for implementation of any agreement or settlement reached or is required by law.
3. In this By-law, unless there is something in the subject matter or context inconsistent therewith, the terms used shall have the same meanings ascribed to them as set out in the Act.
4. The headings in this By-law are for ease of reference only and shall not be taken into account in the construction or interpretation of any provision to which they refer.
5. A "Party" to a Dispute to which this By-law applies may include the Declarant, the Corporation, an owner or a person providing condominium management services to the Corporation.
6. Any notice, demand or other communication required or permitted to be given to any Party as contemplated herein shall be in writing and shall be delivered in accordance with section 47 of the Act. Notice shall be deemed to have been received the day of hand delivery and for registered post delivery forty-eight (48) hours after registration thereof.
7. Nothing contained herein shall prevent the Parties from combining related disputes or from adding additional parties to these proceedings.
8. This By-law is to be read with all changes in gender or number as required by the context.
9. Each provision in this By-law is intended to be severable. If any provision hereof is illegal, invalid or unenforceable in whole or in part, such illegality, invalidity or unenforceability shall not affect the legality, validity or enforceability of the remainder hereof.
10. All mediation, negotiation and arbitration shall be conducted in the English language.

**ARTICLE II - Pre-Mediation Negotiation**

1. Any Party may give to any other Party written notice of a Dispute (the "Mediation Notice"), which Mediation Notice shall include a copy of this By-law.
2. The Parties to any Dispute will make and participate in good faith efforts to resolve such Dispute through negotiation and in a timely manner.

3. Upon receipt of the Mediation Notice by all Parties, the Parties shall use good faith efforts to meet (“Pre-Mediation Negotiations”) as soon as possible, and as often as reasonably necessary in the course of trying to resolve the Dispute, in order to gather and furnish to the other Party(ies) all information with respect to the matters in issue which the Parties believe will assist with its resolution.
4. The format of Pre-Mediation Negotiations shall be at the discretion of the Parties involved and may include the preparation of an agreed upon statement of facts or written statements of position furnished to the other Party or Parties.
5. Pre-Mediation Negotiations shall end on the earlier of:
  - a. the date that any individual Party advises in writing that he/she/it is withdrawing from Pre-Mediation Negotiations;
  - b. ten (10) days from receipt of the Mediation Notice.

### **ARTICLE III - Mediation Conference**

#### **Appointment of Mediator**

1. A single Mediator shall be appointed by agreement of the Parties.
2. Following the end of the Pre-Mediation Negotiations, any Party may give written notice suggesting two individuals to act as Mediator. Within seven (7) days after receiving such notice, the other Party(ies) shall each submit the names of two alternative individuals to act as mediator, or shall be deemed to accept either of the individuals suggested.
3. If the Parties are unable to reach unanimous agreement on the selection of a Mediator within five (5) days after the last Party has provided the names of its proposed mediators, then the Mediator shall be selected at random from among the mediators proposed by the Parties.
4. The Mediator must be impartial and independent of each of the Parties and must not be an owner or tenant of a unit within the Corporation or a Director of or related to a Director of the Corporation. The Mediator must be an experienced and skilled mediator, and have knowledge of relevant condominium related issues, whose practice is based in the same geographical region as that in which the Corporation is located or as selected by the Mediator.
5. Before accepting an appointment as Mediator, the proposed mediator shall provide the Parties with a written statement declaring that he or she is qualified to act as the Mediator under paragraph 4 above, does not have any interest in the outcome of the Dispute and does not know any of the Parties to the extent that it could raise a perception of bias.

#### **Documentation**

6. Within ten (10) days of the Mediator being appointed, each Party shall submit to the Mediator and to the other Party(ies), without prejudice, a written mediation brief of not more than ten (10) pages in length (8 ½” x 11”) setting forth the Party’s positions regarding the Dispute and desired solution to the Dispute (the “Mediation Brief”).
7. Each party shall deliver to the Mediator together with the Mediation Brief, a certified cheque made payable to the Mediator representing the Party’s proportion of the Mediator’s anticipated fees and expenses of the mediation.

#### **Time, Place and Duration of Mediation**

8. The Mediator shall set the date, time and venue within the same geographical region as that in which the Corporation is located or as selected by the Mediator, of the mediation conference as soon as possible after consultation with the Parties.
9. The mediation shall end on the earlier of:
  - a. the date that the Parties enter into a binding settlement agreement with respect to the Dispute;
  - b. the date that any Party or the Mediator withdraws from the mediation;
  - c. twenty (20) days following the end of the Pre-Mediation Negotiations if the parties have been unable to agree upon or accept the choice of Mediator; and
  - d. at 5:00 p.m. (local time) on the twenty-fifth (25<sup>th</sup>) day after the appointment of the Mediator (the “Mediated Negotiation Period”).

## Representation

10. Each Party shall either personally attend the mediation or shall be represented by an individual that has the authority to enter into a binding settlement agreement on behalf of the Party.
11. A Party may be accompanied at the mediation conference by legal counsel.
12. If the Mediator is a lawyer, the Mediator shall refrain from providing legal advice to any Party during the course of the mediation conference. The Mediator may recommend that a Party obtain independent legal advice before finalizing a settlement agreement. The Mediator may not recommend the name of any legal counsel.
13. The Parties shall act in good faith and make all reasonable efforts to resolve the Dispute in the course of the mediation conference. The Parties shall provide complete, accurate and timely disclosure of all relevant facts and information, together with supporting documentation to facilitate the negotiations.

## Procedure

14. At the mediation conference, a representative for each Party shall make a brief oral statement outlining that Party's position and proposed remedy. The oral statement should last for a maximum of fifteen (15) minutes.
15. The Mediator may meet privately with any Party during the mediation conference if the Mediator believes that it will assist the process.
16. Any Party may request a private meeting with the Mediator at any time during the mediation conference.
17. The Mediator will assist by facilitating communication between the Parties to the Dispute, isolating points of agreement and disagreement between the Parties, and assisting the parties in reaching a mutually acceptable resolution.
18. The Parties may agree to extend the Mediated Negotiation Period outlined in paragraph 9 of this Article III. The Mediator shall record that agreement in writing.
19. Each Party is expected to participate in the negotiations with the active assistance of the Mediator.

## Settlement Agreement

20. The Parties shall record in writing the terms and conditions of any settlement agreement reached, with sufficient details to ensure a clear understanding of:
  - a. the Dispute;
  - b. the issues resolved in the Dispute;
  - c. the resolution(s) to the Dispute;
  - d. any obligations assumed by each Party including when the obligations are to be met and the criteria to determine if and when these obligations have been met; and
  - e. the consequences of failure to comply with the agreement.
21. The Parties shall fulfill the terms and conditions of a settlement agreement within the time agreed to in the settlement agreement.

## Termination of Mediation

22. Any Party and the Mediator is free to withdraw, without reason, from the mediation conference at any time prior to the last day of the Mediation Negotiation Period. In the case of withdrawal by the Mediator, the Mediator shall provide each Party with a written notice terminating the mediated negotiations and state the effective date of termination.
23. If the dispute has not been resolved within the Mediated Negotiation Period or within any extended period agreed to by the Parties under paragraph 18 of this Article III, the Mediator shall deliver notice to the parties stating that the mediation has failed, is terminated, and shall state the effective date of termination (the "Mediation Termination Date").
24. If the mediation is terminated without a settlement agreement, the Parties may agree to request the Mediator prepare a recommendation of settlement. If the Mediator agrees to provide such a recommendation, it is not binding on the Parties.
25. In the alternative to such non-binding recommendation, the Mediator and the Parties may, by written

agreement, direct the Mediator to impose a final award upon the Parties on the same terms and conditions contained in paragraphs 40 to 51 of Article IV herein, and which award shall be deemed to have been determined through binding arbitration in accordance with Article IV herein.

### **Costs of the Mediation**

26. Unless the Parties have agreed or the Mediator specifies otherwise, the fees and reasonable expenses of the Mediator and any reasonable expenses associated with the conduct of the mediation shall be shared equally by the Parties. Where such fees and expenses are determined to be payable to the Corporation, same shall be considered as common expenses payable by the Owner and may be collected as such.
27. Unless the Parties have agreed otherwise, the Parties will bear their own expenses of the mediation, whether the Dispute is resolved or not.

### **Subsequent Proceedings**

28. Any award imposed under paragraph 25 above of this Article III may be filed in the Superior Court of Justice and, on being filed, will have the same effect as if it was an Order of the Superior Court of Justice. Once filed, proceedings may be taken on the settlement agreement, the award and/or the Order for costs.
29. Except as (i) required by law, (ii) is reasonably necessary for the establishment of a Party's legal rights against a third Party; or (iii) to enforce any settlement agreement reached between the Parties, the Parties shall not rely upon or introduce into evidence in any arbitral or judicial proceeding, whether or not such proceeding relates to the issues that are the subject matter of the Dispute:
  - a. any documents or other Parties which are not otherwise producible in these proceedings;
  - b. any views expressed, or suggestions made, by any Party in respect of a possible settlement of the issues during the course of the Mediation;
  - c. any admissions made by any Party in the course of the mediation unless otherwise stipulated by the admitting Party;
  - d. any proposals, recommendations or written notes for settlement made in respect of the Dispute by the Mediator other than any award imposed in accordance with paragraph 25 of this Article III; or
  - e. the fact that any Party has indicated a willingness to make or accept a proposal or recommendation for settlement.

## **ARTICLE IV - Arbitration**

### **General**

1. If a Dispute is not resolved pursuant to the mediation procedure set out in Article III, the Dispute shall be determined by binding arbitration in accordance with the procedures enumerated below.
2. Except as otherwise provided in this Article IV, the arbitration of the Dispute, including the procedures, decision and enforcement thereof, shall be conducted in accordance with the provisions of the *Arbitration Act, 1991*, S.O. 1991, c. 17, as amended, and the other applicable laws of the Province of Ontario regarding arbitration and the enforcement of arbitral awards (collectively, the "*Arbitration Act*").
3. Unless there is something in the subject matter or context inconsistent therewith, the terms used in this Article IV shall have the meaning ascribed to them under the *Arbitration Act*.
4. Except as prescribed in the *Arbitration Act*, the Parties may, by written agreement, change or make additions to the arbitration process.
5. All written communications shall be delivered in the same manner as written notices under Article I herein. A copy of all written communications between the Arbitrator and a Party shall be delivered to the other Party(ies) concurrently.
6. There shall be no oral communications with respect to the Dispute between a Party and the Arbitrator unless it is made in the presence of all Parties or their legal representatives.
7. A Party shall state any objections to any aspect of the arbitral proceedings, or of the conduct of the other Party or the Arbitrator at the earliest possible time, failing which, the Arbitrator may refuse to consider the objection.

8. The Arbitrator shall determine the place of arbitration, within the same geographical region as that in which the Corporation is located or as selected by the Arbitrator, after considering recommendations of the Parties.
9. Subject to section 132(1)(b) of the Act, any Party may initiate the arbitration (the “Claimant”), following termination of mediation, by delivery of a written notice (the “Notice to Arbitrate”) to each of the other Parties containing the following:
  - a. a statement of the Dispute;
  - b. a request that the Dispute be referred to arbitration;
  - c. a description of the claim being made; and
  - d. the name or names of proposed arbitrators.
10. Within ten (10) days of receipt of the Notice to Arbitrate, the responding Party (the “Respondent”) shall, by written notice, provide the Claimant with the name(s) of alternative arbitrators, or shall be deemed to have accepted any of the proposed arbitrators.
11. For the purposes of calculating time, the arbitration shall be deemed to have commenced on the date the respondent received the Notice to Arbitrate under paragraph 9 of this Article IV.
12. The arbitration shall be conducted in English.

### **Appointment of Arbitrator**

13. The arbitration shall be conducted before a single arbitrator.
14. The Arbitrator must be an experienced and skilled arbitrator and have knowledge of relevant condominium related issues.
15. The Arbitrator shall be chosen by mutual agreement of the Parties no later than fifteen (15) days after the issuance of the Notice to Arbitrate. If the Parties cannot agree, the Arbitrator shall be selected at random from among the arbitrators proposed by the Parties.
16. The selection of the Arbitrator may only be challenged pursuant to the provisions contained in the *Arbitration Act*.
17. The Arbitrator must be impartial and independent of the Parties.
18. Before accepting the position, an Arbitrator shall provide the Parties with a written statement stating that:
  - a. there are no circumstances likely to give rise to justifiable doubts as to the Arbitrator’s independence or impartiality; and
  - b. the Arbitrator will disclose any such circumstances to the Parties if they should arise before the arbitration is concluded.
19. An Arbitrator who resigns, is unable or refuses to act, or is removed from office shall be replaced by another Arbitrator as soon as possible. Any oral hearings previously held shall be rescheduled and all time limitations contained herein shall be adjusted accordingly.

### **Proceedings**

20. The Arbitrator shall be instructed that:
  - a. time is of the essence in the arbitration proceeding; and,
  - b. the arbitration award must be made within thirty (30) days of the conclusion of the hearing referred to in paragraph 27 of this Article IV.
21. The Parties shall exchange written statements of their respective positions in the Dispute in the following manner:
  - a. within five (5) days after the date of the appointment of the Arbitrator, the claimant shall deliver to the respondent(s) a statement outlining the Dispute, and the relief or remedy requested;
  - b. within five (5) days of receiving the claimant’s statement, the respondent shall deliver to the claimant a statement outlining the response to the claimant’s statement and any counterclaim that the respondent is making; and

- c. within five (5) days of receiving the counterclaim, the respondent to the counterclaim shall deliver a statement outlining the defence to the counterclaim to the Party making the counterclaim.
22. The written statements shall include a statement of facts and law on which the Party intends to rely. The Party shall attach to the written statement copies of all relevant documents that are in the Party's possession or control and on which the Party intends to rely. The statement shall also include the statutory declaration of the Party presenting the brief declaring that the documents annexed to the brief are all the documents relevant to the Dispute that are in that Party(ies) possession or control, including those documents that are or might be unfavorable to that Party(ies) position.
  23. The Parties shall provide the Arbitrator with copies of the written statements at least seven (7) days before the hearing commences.
  24. During the proceedings, the Arbitrator may allow a Party to amend or add to any written statement, including the list of documents, unless the other Party(ies) would be prejudiced by the delay in making the amendment or addition.
  25. Upon reviewing the Dispute, the Arbitrator may make a request of the Parties that another Party or Parties be joined in the arbitration. Such other Party or Parties may only be joined with the consent of the original Parties to the Dispute.
  26. The Parties are entitled to be represented and assisted by legal counsel in all aspects of the arbitration process. A Party's legal counsel shall be permitted to attend and fully participate in all aspects of the arbitration.

### **The Hearing**

27. The arbitration shall be conducted by an oral hearing, including examination in chief, cross examination and re-examination of witnesses. The hearing shall not last more than five (5) full days in duration, or such shorter duration as determined by the Arbitrator or agreed by the Parties.
28. The hearing must commence within thirty-five (35) days after the date of issuance of the Arbitration Notice.
29. Unless otherwise ruled by the Arbitrator, the hearing shall be conducted over consecutive days.
30. Each Party shall be given no more than two (2) full days (or such shorter period as determined by the Arbitrator or agreed by the Parties) to present its case to the Arbitrator. The Arbitrator shall have the discretion to regulate, among other things, the length of a Party's cross examination of the other Party's witnesses so as to ensure the fair and equal treatment of all Parties with regard to the time limits of the hearing.
31. On the final day of the hearing, each Party shall be given the opportunity to present its closing or final argument to the Arbitrator.

### **Evidence**

32. The Arbitrator shall not be required to apply the legal rules of evidence and shall determine the relevance and materiality of the evidence presented.
33. All oral evidence shall be taken in the presence of the Arbitrator and all of the Parties unless a Party is absent by default or has waived the right to be present.
34. The Arbitrator may order any individual to be examined by the Arbitrator under oath or on affirmation in relation to the issues in dispute and to produce before the Arbitrator all relevant documents within the individual's care, custody or control.
35. If the Arbitrator considers it just and reasonable to do so, the Arbitrator may permit a document to be introduced at the oral hearing that had not been previously produced as required. The Arbitrator may take the failure to produce such a document into account when fixing the costs to be awarded.
36. If the Arbitrator permits the evidence of a witness to be presented as a written statement, all other Parties may require that witness to be made available for cross examination at the oral hearing.
37. The Arbitrator may order a witness to appear and give evidence. The Parties at the hearing may cross examine that witness and call evidence in rebuttal.
38. After consultation with the Parties, the Arbitrator may retain one or more experts to give the Arbitrator a written report on specific issues and, for that purpose, may require a Party to make available relevant documents or other property for the expert's inspection. The Parties may cross-examine an expert on the report prepared and may call evidence, expert or otherwise, in rebuttal.

### Default of Parties

39. The Arbitrator may continue the arbitration and make an award based upon the evidence before the Arbitrator if a Party, without sufficient cause:
- a. fails to appear at a scheduled hearing;
  - b. fails to abide by the time limitations contained herein; or
  - c. fails to produce any evidence.

### Final Award

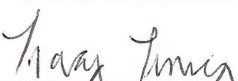

40. The Arbitrator may make whatever award he or she considers just having regard to the Dispute, the interest of the Parties, the Act, the regulations, and the Corporation's declaration, by-laws and rules, and may do one or more of the following:
- a. order a Party to perform an action or undertake a course of behaviour;
  - b. order a Party to refrain from doing something;
  - c. order a Party to pay money as damages; and
  - d. order anything else the Arbitrator deems appropriate.
41. The Arbitrator's award must be in writing, include reasons, and be signed by the Arbitrator.
42. Except for the costs of legal fees and legal expenses of the successful Party, and unless the Arbitrator considers it appropriate in the circumstances to apportion costs between the Parties, the costs of the arbitration shall be borne by the unsuccessful Party (as determined by the Arbitrator) and, where applicable, payment of same may be enforced by the Corporation in the same manner as common expenses. Without limiting the generality of the foregoing, the Arbitrator may:
- a. decide which Party shall bear the costs of legal fees and legal expenses of the successful Party, if they were claimed during the arbitration;
  - b. apportion costs, if the Arbitrator considers it reasonable and just to do so; and
  - c. specify the amounts of those costs or the manner of determining those costs.
43. The Arbitrator, in making a decision, shall not be limited to awarding the legal fees and legal expenses which a court may award to a successful Party in a civil judicial proceeding.
44. Payment of any costs awarded through these proceedings may be enforced in the same manner as common expenses.
45. If the Arbitrator does not make an order respecting costs, a Party may, within thirty (30) days of being notified of the award, apply to the Arbitrator for an order respecting costs.
46. The award of the Arbitrator shall be final and binding with the exception of the right of appeal provided under Section 45(1) of the *Arbitration Act*.
47. An Arbitrator's award and Order for costs may be filed in the Superior Court of Justice and, on being filed, will have the same effect as if they were Orders of the Superior Court of Justice. Once filed, proceedings may be taken on both the award and the Order for costs.
48. The arbitration shall be kept confidential. Its existence and any element of it (including pleadings and any evidence presented or exchanged) shall not be disclosed beyond the Arbitrator, the Parties, their legal counsel and any other person necessary to the conduct of the arbitration, except as required by law. Without in any way limiting the generality of the foregoing, the award of the Arbitrator and his or her Order for costs (if any), are not confidential and may be disclosed as public documents.
49. Not later than fifteen (15) days after receiving the final award, a Party may apply to the Arbitrator for clarification of the award. The Arbitrator may amend the award if the Arbitrator believes that the amendment will assist in clarifying the award.
50. Not later than thirty (30) days after receiving the final award, a Party may apply to the Arbitrator to make an additional award with respect to claims in the proceedings but inadvertently omitted from the award.
51. Other than an action necessary to enforce the award of the Arbitrator, the provisions of this By-Law represent a complete defence to any suit, action or other proceeding instituted in any Court or before any administrative tribunal with respect to any Dispute. Nothing in this By-Law prevents the Parties

from exercising any other rights they may have in the agreements described in Section 132(2) of the Act.

IN WITNESS WHEREOF, the Corporation has affixed its corporate seal attested by the hand of its duly authorized officers this 3rd day of November, 2021.
