NOTICE

PET OWNERSHIP REMINDER

Be a Responsible
Pet
Owner

We recognize that most residents take pride in their homes and are responsible pet owners. However, it has come to our attention that the problem of pets relieving themselves within our building, halls, elevators, and parking garage has once again become an issue as the frequency of accidents has increased.

As this is not only unappealing, **but a health hazard**, we ask that pet owners be responsible and take action to prevent these accidents.

The garage pillars are not the place to allow your pet to relieve themselves, nor are the elevators, hallways, or stairwells. We do recognize that accidents, specifically with pets, do happen, so if this does occur, kindly ensure that you clean up after your pet or advise the superintendent in order that this be addressed.

BE ADVISED that camera checks will be used to identify those that do not attend to their pets' excrements and when a pet owner has been identified, the Corporation will attend to the clean-up and all costs for this clean-up plus an additional 20% administration fee will be charged back to your owner's ledger.

Thank you and we appreciate your full cooperation in this important matter!
